

WHO WE ARE

Ideal Transport Co., Ltd. is an international freight forwarding firm based in the central trade area of Bangkok, Thailand.

With years of experience, we are specialising in the provision of end-to-end logistics solutions for importers and exporters doing businesses across the world, where you can rest assured your businesses can be connected.

Our core business activities include international import and export freight forwarding via ocean and air, and third party logistics services. Special, dangerous, and project cargoes are included. Automotive, raw materials, and consumer products have been our main focused commodities over the years.

We are of a new-generation type of company who moves fast, flexible, easy to deal with, yet professional. We maintain our level of expertise as priority.

Our management is a part of day-to-day operations, ensuring good access, recognition, and price effectiveness. We make ourselves accessible 24/7 through the most convenient choice of communication channels with customers.

We own **ENERGY** to make it happen.
We have **PASSION** in what we do.
We are engaged to offer you **SOLUTION**.
